FOR US

# *A TIME FOR US*

1972

*North Bend Central High School  
North Bend, Nebraska*

To everything there is a season,  
and a time to every purpose under Heaven.  
A time to begin, a time to end.  
A time to receive, a time to send.  
A time to reap, a time to sow,  
Yes, a time to come and a time to go.

FALL .....4

WINTER ....28

A time to teach,  
    a time to be taught,  
A time to think and  
    a time for thought.

A time for strength,  
    a time to be weak,  
And a time for silence,  
    a time to speak.

A time to divide,  
    a time to multiply,  
A time to laugh,  
    a time to sigh.

A time to give,  
    a time to take,  
A time to build,  
    a time to break.

A time for the body, a time for the mind,  
    A time to seek, and a time to find.  
A time for hate, a time for love,  
    A time to look below and a time to look above.

A time to be silent, a time to discuss,  
    A time for others and A TIME FOR US.

*SPRING . . . 56*

*Fall*

After five years of putting it all together, Head Coach Dan Knight finally got what he was after. The North Bend Central Tigers captured their first league title since 1959.

In the first game of the season the Tigers were the subject of misfortune as Scribner slipped past the NBC team 6-0. The Trojans made the right move on a forced punt by the Tiger team in the first minutes of the game and the rest of the game seemed to be a defensive battle.

Senior Al Eveland assured the victory against Oakland-Craig as he ran for two touchdowns and kicked both extra points leaving the Tigers with 14 and O-C scoreless.

Again in the second shut-out for the North Bend team, Eveland stole the show by scoring all nine points on a 16 yard touchdown run and a 33 yard field goal.

Now with two conference wins under their belt, the Tigers traveled to West Point where they were to play their first non-conference game. As it turned out, the Central-Catholic Blue-jays were also victims of the tough North Bend defensive blackshirts. The Tigers came out ahead on this one, 13-0.

With Homecoming in the air, and a slight chill, the packed Tiger Stadium saw the home team rumble over Lyons 27-14. Although fourteen points being scored on them was unusual, the Tigers were still able to come up with enough scoring to win. Eveland scored two touchdowns, kicked an extra point, and then came back to pass the ball to Rick Spaulding for a two-point conversion.

Other scorers in the game were Mike Emanuel and Lyn Kucera. Kucera had a one-yard plunge and Emanuel picked off an interception and ran it back 25 yards to score.

The Tekamah-Herman match was well balanced all the way through the game. After a pass from Steve Woita hit Spalding for the first score of the game, Eveland wrapped it up when he booted a 43 yard field goal to end the game 9-6.

The NBC team, now 5-1, lowered their record more as they met the tough Columbus-Lakeview team. The Tigers big play came when Kucera ran an interception return back 96 yards for the T.D.

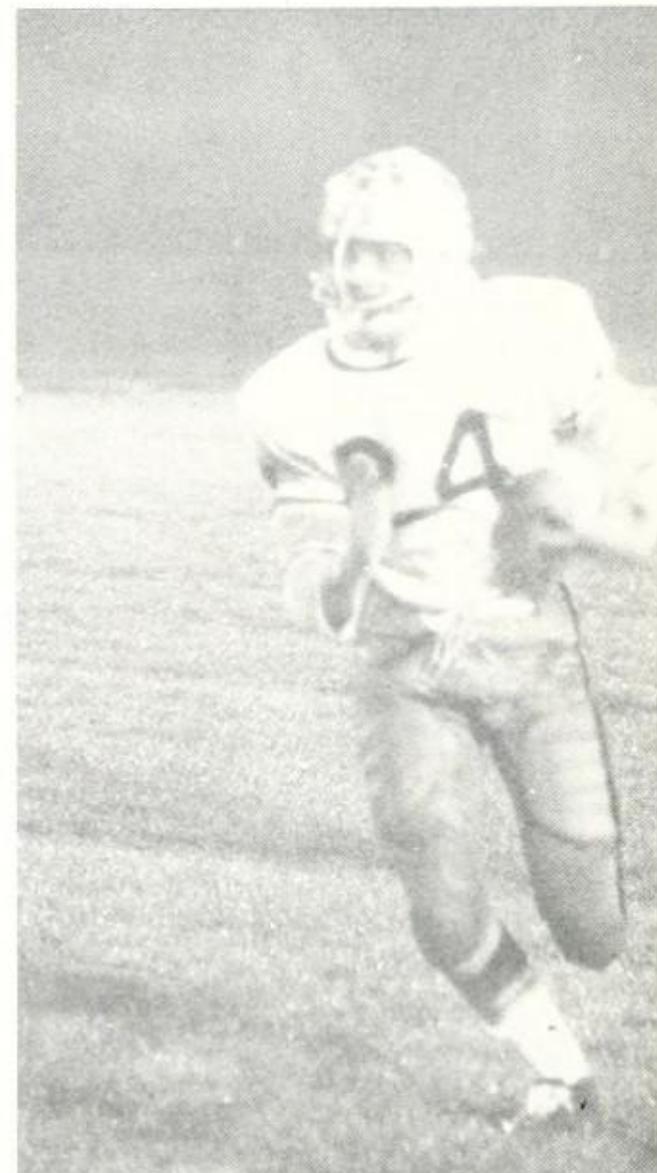

With only two games remaining and both to be played at home, they were nearing the victory of all victories. West Point fell in a close 12-6 battle. Then, tied in the league with Pender, the Tigers knocked them off by a stunning score of 24-0.

## *Tigers Top Holiday Turney*

Coaches Jack Pennington and Roy Vondracek proudly display the Raymond Central Holiday Tournament Trophy.

On the Basketball scene, the Tigers, playing their last season with head coach Jack Pennington, were able to put together a 9-8 record.

The Tigers opened their fight by trouncing Arlington. The varsity game was minus a majority of the senior power.

The next victory came only a week later when the Tigers journeyed to Lyons, but fell the next night to a tough Valley team.

The highlight of the year came in the holiday season when NBC came out on top in the Raymond Central tourney.

The season went on and the Tigers won a few and lost a few which set the stage for the Cornhusker Conference bout. The host team, Logan View, eliminated the Tigers in the opening round.

In the District tourney North Bend lost out again but this time it was to Howells.

# *District Champions*

## *Grapplers Take 3rd Conference Crown*

The North Bend Central Tiger wrestlers did it again. For the third straight year the matmen won the Cornhusker Conference Championship. Topping off the season the Tiger 12 won the District meet and sent five grapplers to the State Meet.

At State the matches didn't go well for Larry Hynek, Bill Taylor, Jim Wesch or Scott Soukup, but it was a totally different story for Mark Hines, the NBC Heavyweight. Hines won all of his matches, thus enabling him to wrestle in the finals. Going into the last match, Hines was the underdog to a 6'8", 265 lb. wrestler from Plainview. Hines wrestled what seems to be his best match of the season and became the first State Wrestling Champion from North Bend.

In the Conference tournament held in North Bend, the Tigers came up with four champions in Bill Taylor, Ed Chromy, Jim Wesch and Mark Hines. NBC also had four Runners-up: Don Vopalensky, Bill Wilson, Francis Zakovec, and Scott Soukup. The NBC team won easily over second place Oakland, who earlier in the season upset the 3-year string of straight dual victories in the Cornhusker Conference

for the Tigers. The NBC matmen, who with a 5-2 dual record, suffering their only other loss to Schuyler, pulled off a big one when they beat Wahoo for the first time.

The Tigers were able to get another first place trophy by winning the First Annual North Bend Lettermen's Invitational. Individual winners for this meet were Rich Bollacker, Wilson, Taylor, and Hines.

NBC was represented well at Blair and Schuyler where they wrestled to second place trophies and at Wahoo where they received a third place finish. Winners first at Blair were Bollacker, Wesch, and Hines; at Schuyler were Vopalensky, Taylor, Chromy, and Hines. Bollacker was the only Tiger to take first at Wahoo.

With eight returning lettermen and Coaches Samuelson and Rutledge, the Tigers will be after their fourth straight Conference title and out to send at least half of the team to State.

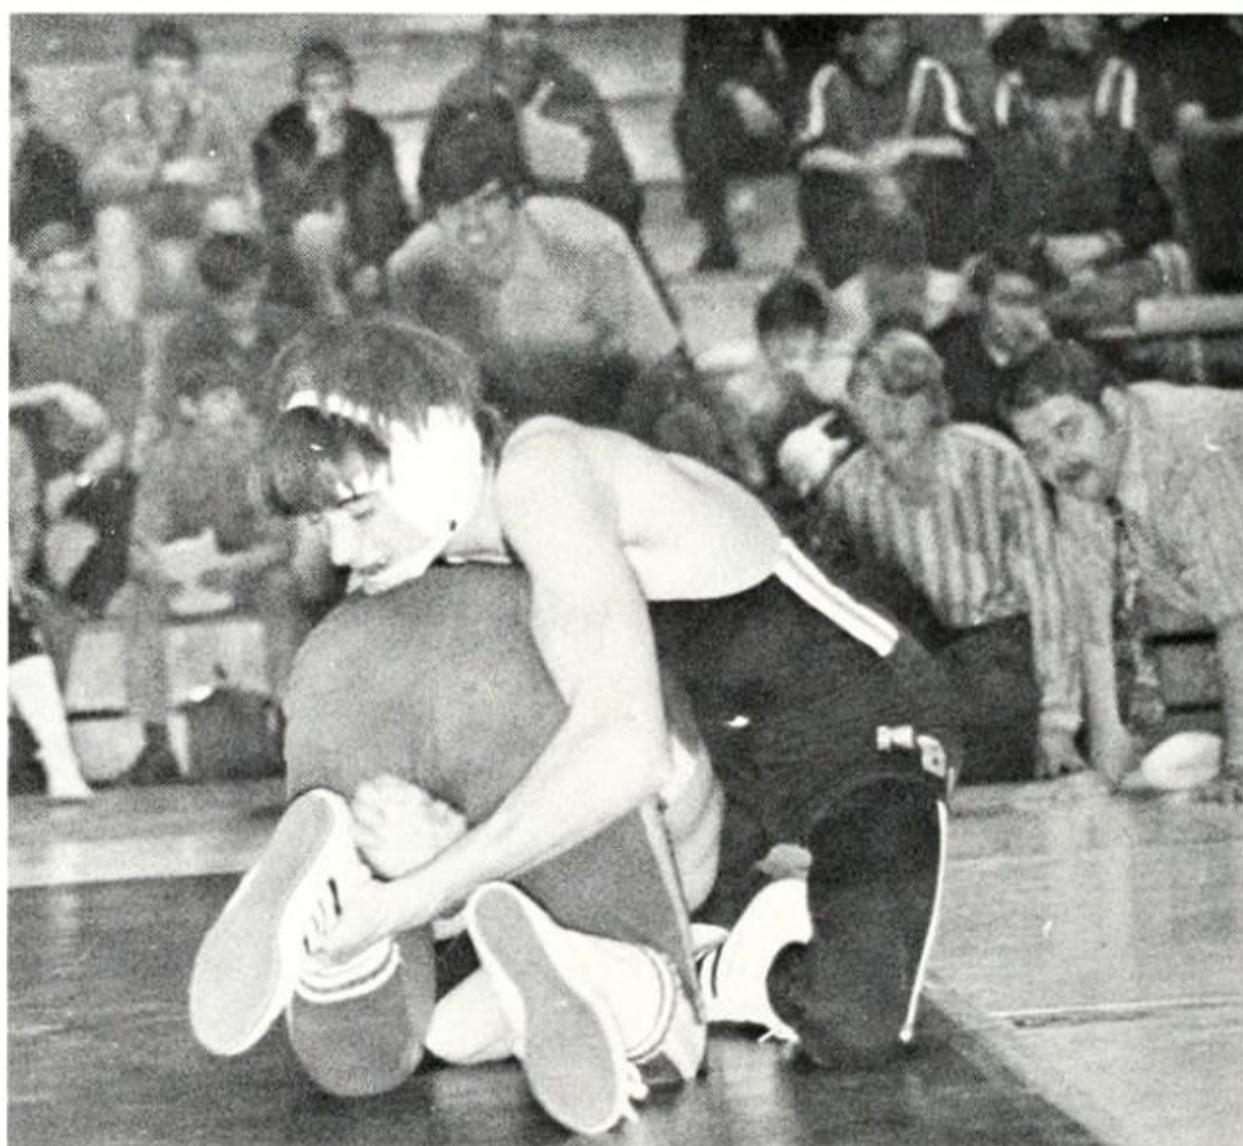

The Tiger fans will miss the excitement brought about by graduating seniors Hynek, Bollacker, Taylor, Wesch, and Soukup.

## *Lyn Kucera Sets New School Records*

The North Bend Central track team got off to a fast start this season as nine Tigers won the Class C division of the Kearney Invitational. Randy Wilshusen was the only orangeman to win a first place medal.

During the first part of the season the NBC team seemed to be in the shadow of the powerful Blair Bears. Blair won the opening triangular with Bergan and North Bend. The Tigers again fell second behind the Blair team at the Bergan Invitational. But when it came time for the North Bend Jay Cees Invitational the Tigers pulled up from behind to gain a tying victory with the Bears. And as it was in the beginning the Blair team again beat the Tigers in the Blair Jay Cees Invitational.

Well now that the Tigers were all done with that team they had to begin worrying about defending their Conference Championship. With only a few duals and triangualrs, and all of them in bad weather, the Tigers didn't have much practice time.

With this in mind the Tigers hosted the Conference Track meet. After two straight years of reigning power the end was at a near. The cindermen fell behind rival

Scribner and pulled out a second place finish.

Now hosting the district meet the orangemen felt they fielded one of their best teams all season. They were able to take the runner-up position in the meet and also able to send five men to the State Meet.

In his second year at the state meet Al Eveland placed 3rd in the discus. He was not able to place in the shotput.

The 880 yd. relay team consisting of Lyn Kucera, Randy Wilshusen, Tom Kort, and Rick Spalding placed second and setting a new school record in that event. Lyn Kucera also ran the 100 and 440 yard dashes but was unable to place in the competition.

Six school records were broken this year in the Track and Field category. Lyn Kucera was the big breaker as he set new records in the Long Jump, High Jump, 440 Yard Dash and anchored the 880 Yard Relay team.

Eveland broke his own record in the discus and Rick Spalding set new heights in the pole vault. The relay was the only other record breakers.
